Law enforcement summit went great!!

jodi.page@uber.com March 9, 2018 at 2:43:38 AM UTC

Was a really great event - they were super engaged and appreciative - good q and a.

jodi.page@uber.com March 9, 2018 at 2:45:05 AM UTC

I can talk about it on one of our next team calls and share playbook and deck

brooke.anderson@uber.com March 9, 2018 at 2:47:40 AM UTC

YAS! How was your preso?

jodi.page@uber.com March 9, 2018 at 2:48:38 AM UTC

Was good! I presented twice - once about safety features and products and later about awareness campaigns. Also talked about what our team does, etc.

brooke.anderson@uber.com March 9, 2018 at 2:49:41 AM UTC

I didn't get any press calls yesterday

jodi.page@uber.com March 9, 2018 at 2:07:22 PM UTC
But I was looking at safety lens and saw that the reporter sent an inquiry through Bliss and the CSRs responded to it vs. passing it on - ugh

jodi.page@uber.com March 9, 2018 at 2:07:27 PM UTC
So I'm putting doc together

jodi.page@uber.com March 9, 2018 at 2:07:36 PM UTC
Will keep you posted

jodi.page@uber.com March 9, 2018 at 5:07:21 PM UTC

Here's draft statement: "What police have detailed is a disturbing and deplorable. The driver does not have access to the app and we will work with law enforcement to help with their investigation."

jodi.page@uber.com March 9, 2018 at 5:07:56 PM UTC

Let me know if good to go - we're getting more inquiries now.

brooke.anderson@uber.com March 9, 2018 at 5:13:25 PM UTC

good to go

brooke.anderson@uber.com March 9, 2018 at 5:13:27 PM UTC

so sad.

brooke.anderson@uber.com March 9, 2018 at 5:13:35 PM UTC

not sure if our protocols were followed?

brooke.anderson@uber.com March 9, 2018 at 5:13:41 PM UTC

two previous reports of 'leering'

jodi.page@uber.com March 9, 2018 at 5:13:41 PM UTC

Yeah - this guy looks like a creep

brooke.anderson@uber.com March 9, 2018 at 5:14:01 PM UTC

inappropriate compalints

jodi.page@uber.com March 9, 2018 at 5:14:26 PM UTC

one report of him saying he wanted to take a shower with a rider and one where the rider said he wouldn't let her in the car but was staring at her chest

brooke.anderson@uber.com March 9, 2018 at 5:14:37 PM UTC

ew

brooke.anderson@uber.com March 9, 2018 at 5:14:39 PM UTC

gross

jodi.page@uber.com March 9, 2018 at 5:14:41 PM UTC

And several dangerous driving ones that are coupled with him acting rude

jodi.page@uber.com March 9, 2018 at 5:14:48 PM UTC

yeah and he's been driving for three years

brooke.anderson@uber.com March 9, 2018 at 5:14:50 PM UTC

yeah this is the kind of thing that's like

brooke.anderson@uber.com March 9, 2018 at 5:15:02 PM UTC

- why do we tolerate repeated instances of bad behavior

brooke.anderson@uber.com March 9, 2018 at 5:15:04 PM UTC

it adds up

jodi.page@uber.com March 9, 2018 at 5:16:23 PM UTC

Plus the reported from a TV station inquired through Bliss last night and they responded to her twice - didn't say anything too specific but she then said we confirmed he was still driving. I emailed Buddy to see if she can help fix that - if a reporter goes through Bliss - they should refer them to comms or press@uber.com

jodi.page@uber.com March 9, 2018 at 5:16:32 PM UTC

Probably was someone in manila

brooke.anderson@uber.com March 9, 2018 at 5:18:57 PM UTC

wait- waht

brooke.anderson@uber.com March 9, 2018 at 5:19:08 PM UTC

we confirmed through bliss that this guy was driving still to a reporter!?

jodi.page@uber.com March 9, 2018 at 5:20:02 PM UTC

We didn't confirm but we said stuff like we can't disclose because of privacy, etc. so we didn't deny it

jodi.page@uber.com March 9, 2018 at 5:20:05 PM UTC

It's just sloppy

brooke.anderson@uber.com March 9, 2018 at 5:20:14 PM UTC

WTF

jodi.page@uber.com March 9, 2018 at 5:20:15 PM UTC

They shouldn't even engage at all

jodi.page@uber.com March 9, 2018 at 5:20:19 PM UTC

yup

brooke.anderson@uber.com March 9, 2018 at 5:20:22 PM UTC

please put in comms doc

jodi.page@uber.com March 9, 2018 at 5:20:33 PM UTC

It's strange the reporter inquired through bliss but still

brooke.anderson@uber.com March 9, 2018 at 5:20:36 PM UTC

and please note in our US safety comms report monthly as a pain point

jodi.page@uber.com March 9, 2018 at 5:20:37 PM UTC

It's in there

jodi.page@uber.com March 9, 2018 at 5:20:51 PM UTC

jodi.page@uber.com March 9, 2018 at 5:27:57 PM UTC

I'm stressing about making my flight to Sydney. My original flight was delayed which means I would miss my connection in LA so I had to jump through all these hoops this morning to get on another flight.

ha!

brooke.anderson@uber.com March 9, 2018 at 6:13:57 PM UTC
Keep in mind- the three top things that any regional team can work on now while we fix the basics are:

brooke.anderson@uber.com March 9, 2018 at 6:14:00 PM UTC
1- driving hour limits (susan)

brooke.anderson@uber.com March 9, 2018 at 6:14:05 PM UTC

2- driving change (tracey)

brooke.anderson@uber.com March 9, 2018 at 6:14:11 PM UTC

3- check your ride (you)

jodi.page@uber.com March 9, 2018 at 6:14:22 PM UTC

yup

brooke.anderson@uber.com March 9, 2018 at 6:14:31 PM UTC

if we keep bringing that message everywhere we will re-direct folks attention in a positive/productive way

jodi.page@uber.com March 9, 2018 at 6:14:39 PM UTC

I don't even think they are doing safety tips around the holiday and stuff yet.

brooke.anderson@uber.com March 9, 2018 at 6:15:51 PM UTC

how's your deck?

jodi.page@uber.com March 9, 2018 at 6:16:08 PM UTC
